

meic

The image features the word "meic" in a vibrant lime green color. The letters are rendered in a thick, rounded, sans-serif font. The letter 'i' is uniquely designed as a cartoon microphone with a smiling face, complete with two small dark eyes and a wide, open mouth showing a white interior. A thin green cord extends from the bottom of the microphone, looping under the 'm' and 'e' before ending under the 'c'. The entire graphic is set against a plain white background.
